Connectivity (Device Pairing)

The headset can be connected in 3 different ways:

- connection via USB-C - 3.5mm Cable
- connection via 2.4 GHz Wi-Fi (Dongle)
- connection via Bluetooth.

Type-C to 3.5mm audio cable:

Wired connection (Plug and play):

1. Plug in the Type-C to 3.5mm Audio Cable to your headset and the Audio Jack on your device.
2. Your headset is ready to use.

Connection via 2.4GHz Wi-Fi Dongle:

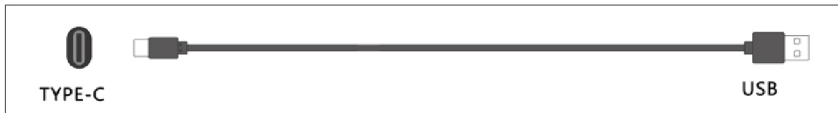

1. Plug in the USB dongle into your device.
2. Turn the headset on by pressing and holding the power switch for 3 seconds. You should hear 'Dongle Mode, Pairing'. If you do not, press the 'M' button twice quickly.
3. Once you hear 'Connected', your device has been paired and your headset is ready to use.

Connection via Bluetooth:

1. Turn on Bluetooth on your device.
2. Turn the headset on by pressing and holding the power switch for 3 seconds. You should hear 'Bluetooth Mode, Pairing'. If you do not, press the 'M' button twice quickly, until you hear it.
3. Search for Bluetooth device name "Tecware Q3 Headset" and select Connect. Then the headset can be used normally after you hear the tone "Beeps".
4. Search for Bluetooth device name "Tecware Q3 Headset" select Connect.
5. Once you hear 'Connected', your device has been paired and your headset is ready to use.

Charging

Type-C USB Charging Cable

1. Plug in the USB-C to USB charging cable to your headset and your device or a power source.
2. The headset will charge automatically. The blinking red LED indicator on the headset signifies that it is charging.

Warranty

- 1 Year Warranty. Please contact your local distributor for support.

Caution!

1. Do not place the headset in the sun, around wet areas or expose to rain
2. Prolonged use of the device at too high a volume may damage your hearing. In addition, the laws in some countries stipulate that the maximum allowable sound level is 86 dB and the maximum allowable use time is 8 hours per day, so it is recommended that you reduce the volume to a comfortable level when using the device for long periods of time.
3. This product is not fireproof, please do not place/use flammable and explosive materials near it.

Care and Maintenance:

1. After each use, use a dry rag/paper towel, etc., to wipe off sweat stains and place in a dry place at volume.
